

Student Conflict Form

Dear Parents,

Please write down any conflicts that your student may have that you are aware of. These include any regularly scheduled events as well as trips or events that you may have planned. Please write down as many as you can but I will be sending home one of these sheets every month before I plan rehearsals. I understand that things may come up so if you have a conflict that is unexpected such as illness or unplanned events please email me at larissacurcio@gmail.com and let me know.
