CONFESSIONS

"God greatly exalted him and bestowed on him the name that is above every name, that at the name of Jesus every knee should bend, of those in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2: 9 - 11)

TWENTY-SIXTH SUNDAY IN ORDINARY TIME

The context for today's Gospel is the mounting tension between Jesus and the Jewish religious leaders. The chief priests and elders question Jesus about the source of his authority. Jesus refuses to name for these religious leaders the source of his authority. Instead he questions the priests and elders through the parable we hear in today's Gospel. The answer given by the religious leaders is correct, but it convicts them for their failure to heed the call of John the Baptist and for their inability to recognize the Kingdom of God.

The situation Jesus poses is rather straightforward. Given the task by the father, one son asserts disobedience in words, but then obeys in his actions; the second son obeys with his words, but disobeys in his actions. The question that Jesus poses is pointed and direct: Which son did what the father wanted? All agree that "actions speak louder than words" and that even if his words were disobedient, the son who did the work as ordered did the father's will.

Jesus' conclusion is also direct. The chief priests and elders, the ones who speak most often about God, did not act accordingly. They did not respond to the message of repentance announced by John the Baptist with a change of heart.

Jesus could ask us the same question. Do our words indicate our obedience to God? If not our words, do our actions? God desires a full conversion of heart, that our actions (and our words as well) will give evidence of our love for God.

Faithful Stewards...Building Our Future

The Capital Campaign has entered into its final year. The parish goal is to collect funding for the remaining two projects. The front façade of the Social Hall is now complete. This part of the Social Hall upgrade could not be completed last year due to constraints of the school calendar. The final project will be the construction of a small social hall in the basement of the Church for funeral luncheons and meetings. Please join fellow parishioners in supporting the campus improvements. Thank you!

A QUESTION OF TERMINOLOGY

For many years, the Pro-Abortion Movement's most significant and basic argument has been that the so-called fetus is not a human life. They also claim that the question of when human life begins is uncertain and a religious issue. However, medical textbooks and scientific reference works consistently agree that life begins at conception, when a genetically distinct individual is brought into existence.

Some of the world's most prominent scientists and physicians testified to a U.S. Senate committee that human life begins at conception. At these same hearings, pro-abortionists, though invited to do so, failed to produce even a single expert witness who would testify that life begins at any point other than conception.

From the moment of conception, the unborn fetus is not simple, but very complex. The newly fertilized egg contains a staggering amount of genetic information, sufficient to control the individual's growth and development for an entire lifetime. It is scientifically inaccurate and untrue to say a fetus is not a human being simply because he or she is at an earlier stage of development than an infant. The mother and the unborn child are two separate individuals and half the time, they are not even the same sex! The child has its own DNA, fingerprints and blood type, distinct from the mother's.
