"God greatly exalted him and bestowed on him the name that is above every name, that at the name of Jesus every knee should bend, of those in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2: 9 - 11)

TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

In today's Gospel, Jesus once again speaks to the priests and elders with a parable. In this parable, the landowner leases his vineyard to tenants and sends his servants to collect the portion of the harvest that the tenants owe to him. Several times the servants are sent to collect payment, and each time they are beaten and killed by the tenants. Finally, the landowner sends his son to collect his rent. The tenants, believing that they will inherit the vineyard if the landowner dies without an heir, plot together and kill the landowner's son.

After telling the parable, Jesus questions the chief priests and elders about what the landowner will do to the wicked tenants. They all agree that the landowner will kill the wicked tenants and give the land to the new tenants who will pay the rent.

Jesus doesn't have to explain the symbolism of the parable; the Pharisees would have understood that the vineyard represented Israel. The landowner represented God, the servants represented the prophets, and the bad tenants represented the religious leaders. Yet, Jesus nonetheless explains the meaning of the parable for his audience: the Kingdom of God will be taken from the unbelieving and given to the faithful. The chief priests and elders have condemned themselves with their answer to Jesus' question.

This Gospel reminds us of the importance of listening to God's word. God speaks to us in many ways-through Scripture, through our Church tradition, in our Church's teaching, and through modern-day prophets. Are we attentive and receptive to God's word to us through these messengers?

Faithful Stewards...Building Our Future

The Capital Campaign has entered into its final year. The parish goal is to collect funding for the remaining two projects. The front façade of the Social Hall is now complete. This part of the Social Hall upgrade could not be completed last year due to constraints of the school calendar. The final project will be the construction of a small social hall in the basement of the Church for funeral luncheons and meetings. Please join fellow parishioners in supporting the campus improvements. Thank you!

A QUESTION OF TERMINOLOGY

For many years, the Pro-Abortion Movement's most significant and basic argument has been that the so-called fetus is not a human life. They also claim that the question of when human life begins is uncertain and a religious issue. However, medical textbooks and scientific reference works consistently agree that life begins at conception, when a genetically distinct individual is brought into existence.

Some of the world's most prominent scientists and physicians testified to a U.S. Senate committee that human life begins at conception. At these same hearings, pro-abortionists, though invited to do so, failed to produce even a single expert witness who would testify that life begins at any point other than conception.

From the moment of conception, the unborn fetus is not simple, but very complex. The newly fertilized egg contains a staggering amount of genetic information, sufficient to control the individual's growth and development for an entire lifetime. It is scientifically inaccurate and untrue to say a fetus is not a human being simply because he or she is at an earlier stage of development than an infant. The mother and the unborn child are two separate individuals and half the time, they are not even the same sex! The child has its own DNA, fingerprints and blood type, distinct from the mother's.
