"God greatly exalted him and bestowed on him the name that is above every name, that at the name of Jesus every knee should bend, of those in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2: 9 - 11)

TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

In the parable of the wedding feast, Jesus offers an image of the kingdom of heaven using the symbol of a wedding banquet. The parable Jesus tells is straightforward. The king dispatches his servants to invite the guests to the wedding feast that he is planning for his son. The listeners would have been surprised to learn the first guests refused the invitation. A second dispatch of servants follows. Again, some guests ignore the invitation. Some of the invited guests even go so far as to mistreat and kill the servants. The king invokes his retribution against these murderers by destroying them and burning their city.

With the invited guests now deemed unworthy to attend the king's wedding feast, the servants are sent to invite whomever they can find. The guests arrive, but it appears that accepting the king's invitation brings certain obligations. The guest who failed to dress in the appropriate wedding attire is cast out of the feast. We are reminded that while many are invited to the kingdom of heaven, not all are able to meet its requirements. God invites us to his feast, giving us his salvation. Yet he asks us to repent for our sins.

Jesus' message in the parable cautions against exclusive beliefs about the kingdom of heaven. The parable also teaches about humility. Those that assume that they are the invited guests may find that they have refused the invitation, and so others are invited in their place. To accept the invitation is also to accept its obligations. God wants our full conversion in complete acceptance of his mercy.

Faithful Stewards...Building Our Future

The Capital Campaign has entered into its final year. The parish goal is to collect funding for the remaining two projects. The front façade of the Social Hall is now complete. This part of the Social Hall upgrade could not be completed last year due to constraints of the school calendar. The final project will be the construction of a small social hall in the basement of the Church for funeral luncheons and meetings. Please join fellow parishioners in supporting the campus improvements. Thank you!

A QUESTION OF TERMINOLOGY

For many years, the Pro-Abortion Movement's most significant and basic argument has been that the so-called fetus is not a human life. They also claim that the question of when human life begins is uncertain and a religious issue. However, medical textbooks and scientific reference works consistently agree that life begins at conception, when a genetically distinct individual is brought into existence.

Some of the world's most prominent scientists and physicians testified to a U.S. Senate committee that human life begins at conception. At these same hearings, pro-abortionists, though invited to do so, failed to produce even a single expert witness who would testify that life begins at any point other than conception.

From the moment of conception, the unborn fetus is not simple, but very complex. The newly fertilized egg contains a staggering amount of genetic information, sufficient to control the individual's growth and development for an entire lifetime. It is scientifically inaccurate and untrue to say a fetus is not a human being simply because he or she is at an earlier stage of development than an infant. The mother and the unborn child are two separate individuals and half the time, they are not even the same sex! The child has its own DNA, fingerprints and blood type, distinct from the mother's.
