*"God greatly exalted him and bestowed on him the name that is above every name, that at the name of Jesus every knee should bend, of those in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2: 9 - 11)*

## FIFTH SUNDAY OF EASTER

Today's reading from the Gospel of John is part of Jesus' discourse at the Last Supper. In these chapters of John's Gospel, Jesus instructs his disciples about the importance of following his example of love and service, about the gift they will receive when Jesus sends them the Holy Spirit, and about their relationship with Jesus and the world. The Last Supper discourse concludes with Jesus' prayer for his disciples.

Today's Gospel reading is taken from the middle of the Last Supper discourse. Jesus speaks about his relationship to his disciples. In his metaphor of the vine and the branches, Jesus is referencing the Hebrew Scriptures, Israel is the vineyard, and Yahweh himself tends the vineyard. In this passage, Jesus teaches his disciples that his relationship with them will not end after his death; he will remain with them always.

Jesus also teaches his disciples about the importance of the words he has taught to them. Just as Jesus will remain in the disciples, so too will his words. We come to know Jesus through the Scriptures, the living word of God. Our commitment to be Christ's disciples is sustained through God's Word. Through the Eucharist, Jesus dwells in us, remains with us, and transforms us so that we might bear fruit in his name.

We observe many people who act in ways that show their commitment to serve their neighbor. Christians and non-Christians feed the hungry, care for the sick, shelter the homeless, and give alms to the poor. These actions become acts of Christian discipleship when they are motivated by our relationship with Jesus. Whatever the immediate results, Jesus promises us that these actions will bear fruit when we undertake them in his name.

#### PRAYER LIST

### Kristallnacht

Or the *Night of Broken Glass* as we know it in English. On November 9 & 10, 1938 members of the SA and SS (Nazi paramilitary groups) went on a rampage across Germany and Austria as they smashed windows, burned and looted shops, Synagogues and homes of Jewish citizens. Estimates are that 267 Synagogues and 7,000 businesses were destroyed, and some 30,000 Jewish men arrested. While this was happening the police just looked on, fearful to intervene.

As I write this, the news reports and footage showed large numbers of demonstrators have descended on many major universities in our country. Jewish students at these institutions express grave concerns for their safety as they have been chased by these mobs screaming that they are not welcome and calling for the destruction of Israel. That is what made me think of the Kristallnacht.

How did we get to this point in our country where blatant anti-Semitism is celebrated, and in some cases as university authorities seem to turn a blind eye? Commentators point to the rabid indoctrination of our young people with a deeply ingrained Marxist ideology. An ideology that seems to be present in US higher education. Their equation is simple, Israelis are the occupiers of the land and the Palestinians are the oppressed. It justifies anything the oppressed do to gain their freedom, including the atrocities committed against women and children on October 7, 2024. Some demonstrators gleefully chanted "we are Hamas", the brutal terrorist organization that began this recent outburst of violence in Israel.

This just did not originate in a vacuum, ideology is intentional. As we forget our Judeo-Christian roots and see them replaced with an ideology crafted by an angry man who hated God we should expect this. Karl Marx may be the savior for some academics, but his salvation has nothing to do with the good of humanity. Jesus, the eternal Son of God, brings hope and healing to a broken world, one broken by sin. Those who fail to remember history will be condemned to repeat it, including the history of ideas, and faith matters as the most important idea.

**Is a national 15 week ban on abortion pro-life or pro-choice?** Let's consider the facts.

The Centers for Disease Control & Prevention Morbidity & Mortality Weekly Surveillance Summaries/ Vol. 72/No. 9 November 24, 2023 Table 14 - noted the number and percentage of reported abortions by known weeks of gestation...U.S 2021. This table shows that **96.1%** of abortions would be allowed and **3.9%** of abortions would be banned. "Despite the rhetoric on both sides, the abortion debate from a national policy perspective is no longer about bans but rather about abortion availability. As a result, the inconvenient truth when evaluating each party's policy positions through the metric of saving babies in the womb from abortion is this: **both** parties are essentially pro-choice - one pro-choice *with no exceptions* and one pro-choice *with some exceptions*." (Care-Net.org) So, inform yourself and others with the facts. Only through prayer and education can we change people's hearts and minds on this devastating & deadly issue. (As a side note: the state of Pennsylvania allows abortion up to **24 weeks** which enables a woman to get an abortion when she is almost **6 months pregnant**.)

The Catholic Church dedicates the month of May to the Blessed Virgin Mary. **Did you know** the HNJ Knights of Columbus Council 14081 provides a rosary to each child receiving the sacrament of First Communion?
